To Whom It May Concern:

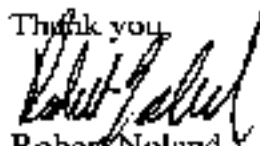

Enclosed is an amended 2000 third-quarter report for Heart PAC.

The previously filed report contained errors on the Detailed Summary page. Software problems omitted actual Year-To-Date totals on certain lines placing actual dollar amounts for the third quarter from Column A into Column B.

The enclosed report contains accurate and correct information in Column B specifically in lines 21(a)(i) through 31 where errors were previously present.

Please contact me with any questions or concerns you may have regarding this matter. I can be reached at 316-655-9130.

Thank you,

Robert Noland  
Heart PAC Assistant Treasurer
